

## First Reconciliation and First Communion Information 2021 - 2022

Revised August 2021

Dear Parents,

It is a joy for St. Anthony's Parish to be part of your child's sacramental preparation.

We will be using the "Blessed" program from Dynamic Catholic. We will Journey with Ben and Sarah, their friends and their pet gerbil Hemmingway. We hope that your children grow in their love for God and his church and discover the "genius of Catholicism and become inspired to become life-long Catholics."

A good start is to read bible stories to your child. Say simple prayers often so the children will learn that they can speak to God anytime and that He is loving and approachable. Bringing children to Sunday mass helps the children to feel a part of our Faith Community.

We are optimistic that this program will help bring the faith to life for your child and that your family will grow in love for and knowledge of their Catholic Faith. Thank you for allowing us to be part of your child's sacramental journey. ☺

Sincerely,

*Audrey Gibbs*

During First Reconciliation/First Holy Communion class the children are learning more about their Catholic Faith with the end result being that after receiving the sacraments of Reconciliation and First Holy Communion they will more actively participate in the mass and live their Catholic Faith more fully.

### **PLEASE NOTE:**

Classes will be held Monday & Thursday afternoon/evenings. Please indicate on the application which day you prefer. Note Minimum class 15, maximum 25.

## **PLEASE NOTE:**

**\*PLEASE DO NOT BE LATE** – Being late disrupts the class and continuously being late tells your child that you yourself do not value the classes.

**THE FIRST RECONCILIATION TIMES/DATES may change depending on numbers.**

All children to receive First Reconciliation before they receive First Holy Communion.

You will sign up for a time slot. We will be asking other priests to help out.

**A QUESTION HAS BEEN ASKED; Why do you often mention and encourage families to join in all the activities here at the church? – The answer is that the children are receiving the Body Of Christ and will become the Body of Christ – What better way to nourish that body than at Sunday Mass and activities here at the church. The more one feels as if they belong the more you want to return. I would also encourage you to stay after Sunday mass for coffee and juice. Better yet be one of the families that greets and/or serves coffee and juice.**

## **Tips to help you as prepare your children for these sacraments:**

- Pray often as a family. Morning, evening and meal prayers can become wonderful family traditions, and really help your child to become familiar with common Catholic prayers.
- Attending regular mass, helps your child feel comfortable in the church, builds bonds and friendships in our faith community, and is necessary in spiritual growth. Even if it doesn't seem that they are "getting anything out of it".
- Read your children bible stories at their level.
- Receive the sacrament of reconciliation yourself. Your actions are your greatest witness.
- Learn yourself, or refresh your memory about what the church teaches about the Sacrament of Reconciliation.
- Have easy access to and read often from the Bible and the Catechism of the Catholic Church.
- Insert a little bit of daily "faith sharing" into the life of your family, sharing your own experiences with your children can be a great way for them to learn
- Attend the classes with your child. Ask questions and find opportunities in everyday life to discuss what you've learned that week and work it into real life.
- You as parents read good Catholic Books, watch Movies, or listen to CD's that challenge you to live your Catholic faith more fully.
- Participate fully in the mass. Learn the responses, sing the songs, listen to the readings, homily and discuss it with your child.
