PREPARING FOR YOUR WEDDING

This booklet has been prepared to help you plan your wedding celebration at St. Anthony's. We believe that adequate preparation will facilitate your growth in love for God and for each other throughout your married life. We are here to assist you in making your marriage celebration a happy and memorable occasion. If you have any questions, please feel free to contact us.

Normally a couple should contact the church at least twelve months before any proposed date of marriage. The Pastoral Assistant will want to discuss preparation for marriage courses, the documents required for marriage, and the ceremony itself.

Please Note: The Checklists have been developed to guide you and assist us in helping you prepare for your wedding. Please be prompt and on time.

Refer to resource booklet **CELEBRATING OUR LOVE**

Another good resource is the website <http://www.catholicweddinghelp.com/wedding-planning/wedding-planning.htm>

Please check out the information from the Archdiocese of Edmonton <https://caedm.ca/Marriage>

MARRIAGE PREPARATION COURSES

Couples preparing for marriage are required to attend a Catholic marriage preparation course. We offer marriage prep courses twice a year here at St. Anthony's. (In October/November and February/March) We suggest you register as soon as possible as courses tend to fill up well in advance. [The Archdiocese tells us we have the best around].

Other Marriage preps include Engaged Encounters and the online course <http://caedm.ca/onlineMP.aspx> .
*** **No Matter which course you choose** the archdiocese asks that all couples take a 'Prepare Enrich' or 'FOCCUS' survey and conclude with a meeting with a facilitator; St. Anthony's Marriage Prep includes this cost. {Some marriage preps include this cost and for others it is an additional cost.}

DOCUMENTS REQUIRED FOR MARRIAGE

A QUESTIONNAIRE: will be completed with each couple and kept with the marriage papers. This will also assist us in completing our portion of the Government Registration Form.

A CERTIFICATE OF BAPTISM: is required for those who have been baptized. This can be obtained from the church where you were baptized. For a Catholic, the certificate must be issued within six months of the paperwork. For those who are not Catholic, the original certificate may be used.

FORM 2: to be filled out by someone who has known you pretty much your whole life. (Your parents or a sibling) It deals with proof of your freedom to marry and your baptism status.

A MARRIAGE LICENSE: is required in order to comply with government regulations. This may be obtained from any License and Registry Service within three (3) calendar months prior to your wedding date as the license is valid for three months only. This will be signed on the day of your marriage and forwarded to the Bureau of Vital Statistics

OTHER PAPERWORK may be required if either of the couple has previously lived with someone or has been married before. If either party has been previously married, a Declaration of Nullity may be required on the previous marriage. You should not make any plans to marry until you have met with us to determine if this is required that is why we ask you to see us at least a year before your intended marriage date.

INTER FAITH: If the couple is of different faiths, permission is needed from the Bishop's office for the marriage. The couple should discuss how they will practice their faith. The Catholic party must agree to raise their children in the Catholic faith.

The non-Catholic party agrees to support the Catholic party.

MEMBERS OF ANOTHER PARISH: Since a wedding is a celebration of the Church, customarily it takes place in the parish of the bride. If the bride is not Catholic it takes place in the parish of the groom. If neither bride nor groom is a member of St. Anthony's Parish, please contact the Pastoral Assistant to arrange for permission to celebrate your wedding at St. Anthony's Parish.

MEETING WITH THE PRIEST: To confirm that you each come of your own free will and are intending a sacramental marriage. The forms are #1B and #3. The meeting also helps the priest to know you as a couple.

INFORMATION CHANGES: If your phone number or address changes please inform us of the changes.

PLANNING THE CEREMONY

Couples are encouraged to be involved in the planning of the Marriage Ceremony. This includes the selection of readings, prayers, etc. A selection of readings and prayers is included in this booklet. As this is the most important part of your day, please spend time reading over and reflecting on the readings and prayers you select.

The wedding ceremony may be celebrated within Mass or outside of Mass. *The Mass (Eucharist) fully celebrates the Sacrament of Marriage.* We ask each couple to decide with prayerful consideration what is most appropriate to their situation.

Catholic parties should celebrate the Sacrament of Reconciliation a short time (week) before the marriage.

READERS: You will need two – three readers to proclaim the scripture readings during the ceremony and to read the Prayers of the Faithful. You should choose someone who has read in a liturgical setting and is comfortable reading in public. Provide them with the readings in advance to give them time to prepare. Ask those who have the necessary gifts to proclaim God's word effectively and reverently.

USHERS: Your ushers (women or men) have a number of responsibilities. They make sure everyone is seated in the church before the ceremony begins. They are often called upon to give directions to your guests and must be able to act in case an emergency arises. For this reason at least two of your ushers must be over 18 years of age.

Recommendation: one usher per 50 guests.

RECEIVING LINES are intended as an opportunity to welcome your guests at the reception. *The church must be prepared for the parish Mass following your wedding. Please allow time.*

ORDER OF SERVICE PROGRAMS: Although it is not necessary, you may wish to provide your guests with a program of the wedding celebration. Samples are included at the back of this booklet. Couples are responsible for preparing the booklet. Please have the ushers remove the programs from the church at the end of the celebration.

RING BEARERS AND FLOWER GIRLS: Young children often become agitated when faced with a church full of people. For this reason we recommend that if children are to be a part of the wedding party that they be **at least six years of age**.

If a Ring Bearer is used, symbolic rings are to be used and carried in the procession. The rings used for the ceremony are to be carried by the witness (best man).

ALTAR SERVERS: Altar servers are not generally required. It is easier if they are regular servers at St. Anthony's.

PLANNING THE MUSIC

Music is an integral part of the worshipping community's Liturgical and Sacramental Celebrations. Music unites and brings together God's people. At a wedding ceremony we are brought together to worship God and thank God for the love that He has made visible to us. With this in mind, *the music that is chosen for your wedding should enable all those assembled to pray*. We suggest choosing your readings first then choose your music to reflect your readings.

The music chosen for your wedding should express a clear relationship to God, not just to you, the couple. You may have the "perfect song" that expresses your love for each other, but if it does not express God's love and call us to worship, it would be more appropriately used at your reception or dance. *There is the vertical dimension of our relationship with God, one that is directed heaven ward. Only Sacred music (music that reflects the sacred nature of the Sacrament of Marriage) or Liturgical music (found in one of our hymnals) may be used in the wedding ceremony.*

Occasionally, couples planning weddings at St. Anthony's have relatives or friends who are involved in music ministry in other parishes. ****Please contact the office to have ALL musical selections – Not on the list below - approved by the Pastor (or his designate) at least 3 months before your wedding.**

There are some general guidelines we would like you to be aware of before you begin planning.

- ◆ Recorded music is not permitted in Liturgical celebrations
- ◆ Only one processional hymn is played for the wedding party procession. – Please note "Here Comes the Bride" is not permitted in Catholic marriage ceremonies. This is not sacred music and is not reflective of the sacrament being celebrated.

DECORATING THE CHURCH

Wedding shops and florists are in the business of selling flowers and decorations. They are not usually the best people to advise you on what you need to make your wedding ceremony "perfect" in any particular church. Placing large bouquets and candelabra in the sanctuary can restrict the space needed for the ceremony.

During special seasons of the year the church decorations will be more than adequate for your wedding ceremony. If you wish to purchase flowers, we recommend you provide only one large bouquet to be placed in front of (not on) the altar (maximum 2'W X 3'H).

For safety reasons, the use of candelabra in the sanctuary, aisles or attached to the pews, is not permitted. The placing of an arch is not permitted.

UNITY CANDLE: The use of the unity candle is encouraged. Some couples like to use a unity candle as a symbol of their being united in marriage. You are responsible for purchasing the unity candle, tapers and all candle holders. If you intend to use a unity candle please bring it to the rehearsal. Some couples choose to use their baptism candles.

FLOWERS AND DECORATIONS: Any extra decorations are the responsibility of the couple. Check first to see if there are any other weddings scheduled on your wedding day. You are strongly encouraged to use real flowers. In addition to corsages, boutonnieres and bouquets, many desire to place floral arrangements in the church. Please observe the following when making arrangements with florist:

1. Floral decoration should never impede the approach to or the encircling of the altar, lectern, table for signing of registration form or any of the ritual movement and action.

2. A floral arrangement may be placed in front of (but never upon) the altar. A floral arrangement may be placed in front of the lectern. The setting up of the stands and vases elsewhere in the area near the altar and lectern is not permitted.
3. As the whole space is to be considered the arena of decoration, a floral arrangement may be placed in the gathering space near the front doors of the church. Such fragrant flowers would be a gracious sign of welcome.
4. If flowers or bows are to be used to decorate the ends of pews, they should be used at regular intervals along the entire length of the aisles, enhancing the whole worship space and the assembly which fills it. Such arrangements should not be limited only to the first several pews, serving as “reserved” signs. Draping of ribbons between any church pews is not permitted. (fire regulations)

All arrangements are to be attached to the ends of pews by hanging them over the ends of each pew with ribbon, elastic or string. **ALL TACKS AND TAPES OF ANY FORM ARE STRICTLY PROHIBITED. (they damage the pews)** Bows etc. must be removed after the wedding.

5. For safety reasons, the setting up of stands for any candles in the aisle and near the altar (other than those provided by the church) is not permitted.
6. You are encouraged to leave some floral arrangements in the church after the celebration of your wedding. Your flowers will continue to enhance our parish worship, especially at the weekend celebrations.
7. Please use the appropriate containers to dispose of boxes/bags that your floral decorations come in.
PEW BOWS: If you wish to use them they must be attached with string or elastic. Tape may **not** be used on the pews as it removes the finish. They must be removed after the service/mass. **We have found that picnic table clips work well.**

CONFETTI / RICE/FLOWER PETALS

Obviously, confetti/rice/flower petals and birdseed are a serious janitorial problem and can be an environmental concern. Its use inside or outside the church is forbidden - not following this expectation may result in a fee for clean-up being levied on the couple.

PHOTOGRAPHY AND VIDEOTAPING

The liturgy during which you celebrate your marriage is a sacred moment of rejoicing in prayer, song and gesture. While we understand your desire to record this moment, we ask you to observe the following so that the sacred joy of this day will not be marred by photo and taping equipment and those who operate it:

1. Since the celebration of marriage is a sacred event, all those attending will be asked to respect that there are only three times permitted for any photo/videos: (a) processional (coming in) (b) signing of the register and (c) recessional (going out). Speak to me regarding the ‘official photographer’.
2. Any worship aid (program) which the couple prepares/distributes should contain a note asking all to refrain from pictures/videos during the time of prayer, except at the three permitted times.
3. Photographers/video tapers are not permitted to roam about the church once the liturgy has begun. (Your official photographer could discreetly move during a transitional time.) Please no flash photography outside the three times

listed above. Violations of this will necessitate the priest's corrective announcement during the liturgy- **to be avoided!**

4. Only the lighting already available in the church may be used. No additional lighting may be brought into the church.

5. After the wedding, provided there is no conflict with other scheduled liturgies, the church and/or grounds may be used for other pictures.

THE REHEARSAL

Those directly involved in the wedding ceremony should be present at the rehearsal:

- ◆ The wedding party
- ◆ Readers
- ◆ ushers
- ◆ Parents

Musicians are not involved in the rehearsal. It is intended to be a simple "walk through" of the ceremony and should only take a half an hour.

- Please phone Audrey to plan the rehearsal regarding the procession ahead of time.

Rehearsals are to be within the staff workday. Scheduled for either 2:00 p.m. or 3:30 p.m. (Schedule with Audrey 1st come gets 1st choice)

PUNCTUALITY: Everyone needs to be on time for the rehearsal as lateness inconveniences many people. Sometime there are other rehearsals scheduled, and so punctuality is an important courtesy.

It is equally important that all concerned be on time for the wedding. Remember, it is neither fashionable nor polite for the bride to arrive late. Bridal parties are asked to arrive at least one half hour in advance.

THE ENTRANCE PROCESSION

The Entrance Procession shows the special role of the bride and groom in the marriage liturgy. The procession should be faithful to the nature of marriage, which is a relationship of mutuality between wife and husband. The Bride is not "given away", rather, the couple give themselves to each other in marriage. Therefore, the procession should include both bride and groom and not just one of them.

How often have we heard: "It is bad luck for the groom to see the bride before the wedding ceremony begins"? In ancient times the groom saw what he "bought" only after she was unveiled at the altar. This kind of thinking does not reflect the Christian celebration of Marriage. Therefore, if the bride wears a veil, the veil is lifted once she reaches the front of the church.

What we do should reflect what we believe.

Most couples are nervous prior to the ceremony. Our experience has been that the bride and groom are much more relaxed if they gather together with the bridal party prior to the ceremony. The coffee room will be provided for this purpose.

ORDER OF PROCESSION

The following order of procession is recommended for Christian weddings. Any variation should be discussed with the priest or Pastoral Assistant well ahead of the rehearsal. – Please do not choose an order different to those suggested here without first discussing it with us first.

If you have someone who could carry the cross that would be great.

PRAYER FOR ENGAGED COUPLES

Thank you Lord,
For this wonderful gift of love
which already has brought us so much joy.
Grant that we may continue to love
reverently, patiently, generously,
seeing You in each other.

Guide us in your wisdom to discover each other,
that our understanding and compassion may deepen and mature.
Teach us to forget ourselves and live in each other,
that we may become truly one.

In these hurried days of final preparation,
grant us the peace and calmness
to reflect at times upon the sacramental moment
when You will seal and sanctify our promises,
binding us together in profound intimacy forever
We ask this through Christ our Lord. Amen

A BLESSING FOR A WEDDING BANQUET

God and Father of us all,
you are the giver of all good gifts.

We praise and thank you today
for the love you have placed in the hearts of (name) and (name)
and for allowing us to share in that love.

We thank you for the joy we feel
when we gather with friends.
We thank you for the food we are about to share.

Let this banquet be for us
a sign of your constant care.

Bless us, Father, and the food we eat.
Give us grateful hearts to sing your praise.

**Through Christ our Lord.
Amen**
